Sprint 2 Retrospective

What went well:

- Tasks were completed at the end of the sprint
- Team communicated well about delays and any issues
- Major milestones in development passed, with much of the underlying work done.

What didn't go well:

- Team meetings were less frequent
- Busy schedules caused some delays

Percentages of work done:

- Ethan ~ 23.3%
- David ~ 23.3%
- Jonathan ~ 23.3%
- Justin ~ 30%
